FLAT OUT

GET UP TO GET DOWN

With a fast-rolling pair of 29-inch wheels and 170mm of VPP™ suspension paired with a 170mm-travel fork, the Megatower is perfect for riders looking to elevate their game. Capable on gnarly downhill terrain, the Mega also boasts a pedalable pedigree to get you back to the top.

BOLDEST TRAILS

BLIND CONFIDENCE FOR BLIND RACING

VPP™ suspension strikes the ideal balance between pedaling efficiency and bump-chomping prowess. The Megatower excels at absorbing the biggest hits, allowing riders to charge harder and with greater confidence on the toughest terrain. Plus, its efficiency ensures that reaching the highest, best trails is never a chore.
